

6TH BIENNIAL RESIDENTIAL BUILDING DESIGN & CONSTRUCTION CONFERENCE

PennState

SAVE THE DATE | MARCH 2-3, 2022

IN-PERSON AT THE PENN STATER CONFERENCE CENTER & HOTEL IN
STATE COLLEGE, PENNSYLVANIA, USA

You won't want to miss networking with the leading researchers in residential construction, hearing from two innovative keynote speakers, and sharing your own research with colleagues over two days at the 2022 RBDCC!

5 WAYS TO PARTICIPATE! SUBMIT YOUR ABSTRACT BY MAY 31 *(EXTENDED)*

ONLY
*(NO TRAVEL
NECESSARY)***

SUBMISSION DETAILS

Experts from academia, A/E design firms, builders, developers, manufacturers, and government and code officials are cordially invited to submit abstracts by May 31, 2021 (*extended deadline*) on all aspects of residential buildings, including the following topics with some examples in parentheses.

CONFERENCE TOPICS

- High-Performance Building Analysis & Design (*BIM, Energy Efficient Components & Systems, BIPV, Passive House, IAQ, Smart Homes*)
- Disaster-Resilient Residential Design (*Fire Protection, Temporary Housing Post-Disaster, New Designs & Retrofits*)
- Community-Scale Design & Construction (*Aging-in-Place, Affordable Housing, Rural Housing*)
- Design, Construction, & Evaluation of Building Enclosures (*Building Science, Testing & Simulations, Green Roofs, Innovative Systems*)
- Construction & Material Innovation (*Modular, 3D-Printing, Sustainable Materials & Methods, Bio-Based Materials*)
- Education (*Tools & Methods, Design Competitions*)

SUBMISSION OPTIONS

Full Paper Submissions

Authors of accepted abstracts for full paper submissions will submit their full papers for review and comments by the International Scientific Committee for inclusion in the Conference Proceedings. The Conference Proceedings will be an edited document with an ISBN number and will require the authors of the papers to transfer copyright to the PHRC for its publication.

Presentation Only & Poster Only Submissions

Rather than full papers, authors of accepted abstracts for PowerPoint presentations only or Poster only submissions must submit their PowerPoint presentation or Poster by the deadline listed below for distribution at the conference. However, these submissions will not be considered as part of the Conference Proceedings but will later be made available on the PHRC website, www.phrc.psu.edu/Publications/Past-Conference-Proceedings.aspx.

DELIVERY OPTIONS

- **Presentations:** Those accepted to deliver their submissions via Presentation will have 20-30 minutes for a PowerPoint presentation on their paper and must bring their presentation to the conference on a USB flash drive.
- **Posters:** Those accepted to deliver their submissions via a Poster must bring their printed poster with them to the conference. Mounting will be provided at the conference.
- **Proceedings Only:** Authors may choose the Proceedings Only option to include their paper in the Conference Proceedings. This option does not include a Presentation or Poster and does not include admission to the conference.

At the time of abstract submission, submitters will indicate which submission and delivery options (listed above) that they would prefer. All conference submission materials will be received through EasyChair conference management software.

DEADLINES

Authors are invited to submit 200-300 word abstracts and indicate the topic area from technical paper session topics appropriate for their paper.

CONFERENCE GOALS

The Pennsylvania Housing Research Center (PHRC), housed in the Department of Civil & Environmental Engineering at The Pennsylvania State University, is pleased to announce the 6th Biennial Residential Building Design & Construction Conference (RBDCC), which provides a forum for researchers, architects, engineers, design professionals, product manufacturers, builders, developers, and code officials to discuss challenges to sustainable, energy efficient, healthy, environmentally friendly, natural hazard resistant, affordable, and innovative residential construction. The event also focuses on the dissemination of recent research findings, state-of-the-art technologies, advanced projects, and new approaches in the field. This conference will focus on various types of residential buildings including single-family dwellings, multi-family multi-story apartment buildings, mid-rise and high-rise residential building towers, factory-built and modular housing, dormitories, and hotels/motels.

KEYNOTE SPEAKERS

Wil V. Srubar III, PhD

Associate Professor, University of Colorado Boulder
Founder and Managing Director, Aureus Earth, Inc.
Transforming Buildings into Carbon Sinks

Rusty Smith

Associate Director, Rural Studio
Auburn University School of Architecture, Planning, & Landscape Architecture
Rural Studio: What Does Affordable, High-Performance Housing Truly Afford?

REGISTRATION

All people who submit an abstract to the RBDCC should register for the conference by January 10, 2022.

- Presenter (includes Presentation or Poster): **\$620**
- Full Paper in Proceedings Only: **\$200**

Unable to submit an abstract but still want to attend? Stay up to date on the presentation schedule and costs on our website, including early bird and student rates. Full conference details, as well as information on our concurrent industry-focused conference, will be available by December 2021. Learn more at <https://bit.ly/2022RBDCC>

ACCOMMODATIONS

Located just minutes from the heart of the Penn State University Park campus in State College, Pennsylvania, The Penn Stater Hotel and Conference Center is the venue for the 2022 RBDCC. It features complimentary Wi-Fi, two restaurants, and complimentary parking. Rooms are available for conference attendees at a discounted rate through Saturday, January 29, 2022.

- Group code: RBDCC22A
- Group rate: \$114 plus tax per night
- Penn Stater Reservations by phone, 1-800-233-7505, or online thepennstaterhotel.psu.edu
